

VOLLEYWOOD BEACH ACADEMY

Financial Assistance Application (Beach)

The mission of the Volleywood Beach Academy Financial Assistance Program is to give the very best opportunity to young athletes wanting to excel in the sport of volleyball. Unfortunately, the cost of travel volleyball is cost-prohibitive for some families, and so, VBA has developed the Financial Assistance program in order to help those athletes and families make club volleyball feasible. This opportunity is made possible by the sponsorships of local businesses, or others that are interested in helping give youth athletes in St. Augustine a better opportunity to be a part of Volleywood Beach Academy.

Financial Assistance Information:

- Financial Assistance Applications (FAA) will be accepted between 01/01/2024 and 05/10/2024
- Applications received after the deadline might not be accepted
- The FAA is available to all families in any of our club programs and age divisions
- The following factors are considered for eligibility:
 - Financial Need
 - Multiple children/siblings participating in the club programs
 - Total number of applicants looking for assistance
 - Funds available
 - Players potential and dedication to the sport, club and team

While personal information will be needed to ensure that all awardees are in financial need, such information is held strictly confidential! Keep in mind, you will still have to pay for travel costs such as memberships, hotels, gas, and food. If assistance is awarded, the player will be asked to write a thank you letter to send to the Sponsor. The family could also write one if they would like.

To be eligible to receive financial assistance, the following must be filled out and returned to the Director of VBA no later than May 11, 2024.

1. Financial Assistance Application (located under Forms on website)
2. A letter with the reason financial assistance is needed. Please describe financial need in enough detail and include any necessary documents so the committee can evaluate the request. A personal narrative from the athlete is also recommended to demonstrate the athlete's desire to acquire funding in order to participate.

Complete applications can be emailed to the Director of VBA at VolleywoodBeachAcademy@gmail.com or delivered in person. **Incomplete FAA's will be returned!**
